

Mr. Peter Hatzi
Office of Safety Design (HSA-10)
FHWA
400 Seventh Street, S.W.
Washington, DC 20590-0001

Dear Mr. Hatzi:

On behalf of ASTM International thank you for citing ASTM International Standard Test Method E1709 for Measurement of Retroreflective Signs Using a a Portable Retroreflectometer in the proposed amendment.

Regarding the information contained in footnote 18 under the "Proposed Amendment" section of the notice, please update the address listed for ASTM International. The correct address is: 100 Barr Harbor Drive, POBox C700, West Conshohocken, PA 19428-2959.

Thank you for your consideration.

Sincerely,
Teresa J. Cendrowska
Director, External Relations
ASTM International
